## ON TO THE GOAL

On to the goal! Press on!  
Alone, yet unafraid;  
He cut the path who beckons thee,  
On then, and undismayed.

On to the goal! Press on!  
The Eyes that are aflame  
Are watching thee, what then are  
men,  
What matter praise or blame?

On to the goal! Press on!  
Look not behind thee now,  
When just ahead lies His "Well done,"  
And crowns await thy brow.

On to the goal! Press on!  
Blind, deaf and sometimes dumb,  
Along the uphill, blood-marked road,  
Hard after Christ, press on!

CHRIST—OUR GOAL

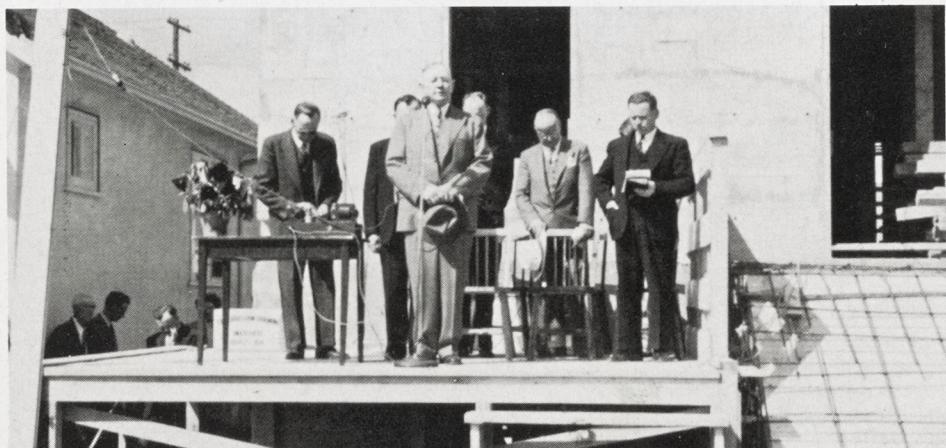

## The Birth of The Christian

REVEREND E. P. WAHL

Who planted the seed that grew and developed into The Christian Training Institute may never be fully known. What action was it that gave birth to our Bible School only eternity will fully reveal. Our pioneer missionaries and pastors were often burdened with the potentialities lying dormant in the many children of the earlier settlers of the Western Provinces of Canada. Clearing land, cutting down brush, picking stones, breaking up soil, building sod and log huts with their parents was their first and heavy duty. Yet parents and children longed for the day when talents might be developed and more schooling obtained and greater service rendered in and through the church by the children. All this and more led to this institution of learning.

We hail the day when our hopes and prayers for a Bible School solely belonging and operated by the North American Baptist General Conference became a reality. Though we be ignorant of its birth and parentage it suffices to know it lives and blesses. Longfellow's words: "Noble by birth, yet nobler by great deeds" shall ever be spoken of our Christian Training Institute!

When in the summer of 1938 the Alberta Association appointed a Bible School planning committee things began to take shape and by the spring of 1939 the unexpected started to happen. Young and old

## Training Institute

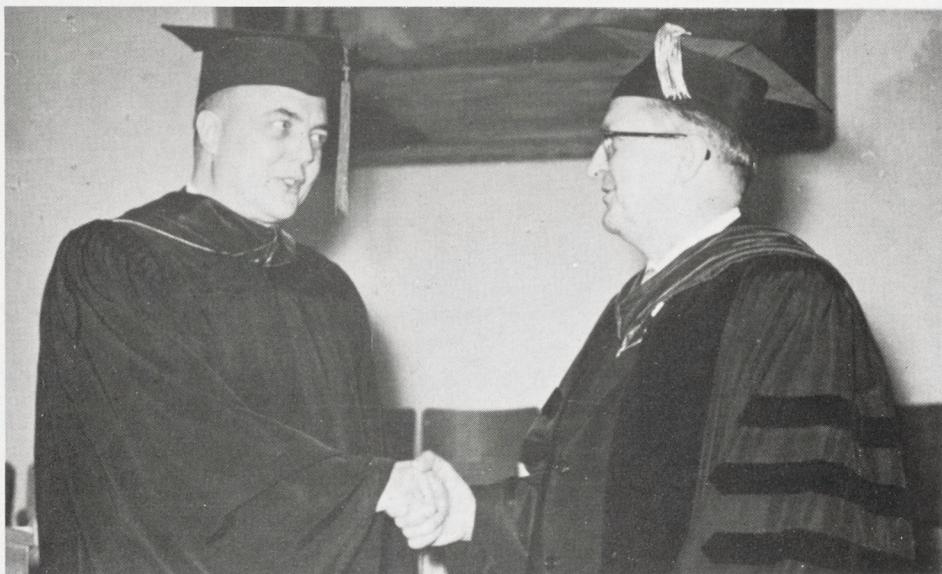

joined hands with great enthusiasm and under its leaders declared themselves ready to realize a dream of long standing. From the city of Edmonton, lots situated pretty much on the south border of the city were purchased for the price of \$150 and less a lot. Today, those same lots would sell for \$4,000 a piece.

Money to erect the school building needed was not immediately available. However, "Where there is a will there is a way". We pooled our strength, money, labour, food and time and God graciously blessed the feeble efforts. Only two carpenters, Mr. J. J. Ohlmann and Mr. Jonathan Hiller, were hired, receiving the lowest wage paid at the time. Devotedly they worked and directed the workers. A double garage was the first building to be erected. The same served as kitchen and dining room for the volunteer helpers that came from as far as 400 miles to "lend a hand". A vacant store building was rented which served as sleeping quarters. Farm produce was freely donated to load the tables with nourishing food three times a day. Yes, even a cow was loaned by one of our farmers. Thus all the milk and cream needed was supplied. Young and old, men and women, gave freely of their strength, time and money and by the end of the year the building was far enough advanced to open our first school year at C.T.I. Thousands of dollars had been contributed as free labour.

More sacrifices had to be made. There was no money to pay the matron, kitchen help, or part time instructors. Our first lady teacher, giving her full time to the work, received \$10 a month plus room and board. Not only the furniture and library of the president was given for free use by the school but his entire family lived and worked freely as was the need.

God failed not to bless the offerings. Streams of blessings started flowing from the school the lives of the students and are still flowing in to many parts of the world today because of the ministry of The Christian Training Institute. Yes, God is faithful and fulfills His promises: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room to receive it."

Inauguration of the new President, Dr. A.S. Felberg

### A Message from the President

The past year has been a time of readjustment and enlargement at the Christian Training Institute. After the resignation of Rev. E. P. Wahl, the Founder and faithful President of the Institute who for eighteen years most capably and loyally directed the activities of the school, Rev. K. Korella and Rev. O. R. Schmidt have each, faithfully served one year as Acting President. We do gratefully acknowledge the sacrificial and devoted ministry rendered by these three distinguished leaders in the twenty years' history of the school.

This year is characterized by a degree of changes in the teaching staff of the Bible School and Theological Departments but mainly in the High School Division. Several new instructors have come to us to render an appreciated ministry.

We have followed the call extended to us and accepted the responsibility of administration. Now we pray that the Lord may grant us grace, wisdom and strength to attain to the goal of lifting up the Lord's Anointed and accomplish the work intrusted unto us by the Lord and our beloved Denomination.

The adding of a pastoral training department to the ministry of our school has given us added work but also enlarged our usefulness and service to the Denomination and the Kingdom of God.

The \_\_\_\_\_ enjoyed a blessed year of activity in all three \_\_\_\_\_ of its ministry. We sense an ever-growing spirit of interest in the \_\_\_\_\_ God. The Christian fellowship is sweet; the eagerness on the part of students to acquire knowledge and equip themselves for the Gospel Ministry is evident everywhere.

We are very much pressed for classroom and library space. Our faithful instructors and staff are carrying an overload to accomplish the work. Your continued prayers in behalf of the Christian Training Institute and its growing ministry are greatly appreciated.

## **Editorial Notes**

For twenty years, the Christian Training Institute has done an important work in our denomination. The challenge it gives constantly was taken by those now serving in our churches and on the mission fields. The editorial staff wishes to dedicate this volume to the school in honour of its twentieth anniversary. The preceding pages gave a brief historical picture followed by the highlight of this year; the inauguration of the new president, Dr. Felberg. Incorporated in these thoughts is the theme "Forward with Christ". The faculty and students of this school consecrate their efforts to press on with Christ. As Hebrews 12: 1-2 says — "Let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith".

Dear Christian friends, I trust the following pages give glimpses of the studies and fellowship within the school. The editorial staff wishes to thank those that have contributed to this volume. I appreciate the work done by Dr. Felberg, my assistant Mary Boymook, and each one on my staff.

Editor-in-Chief,  
Marlene Taylor.

## FORWARD WITH CHRIST

Class Verse — Phil. 3: 14: "I press toward the mark for the prize of the high calling of God in Christ Jesus."

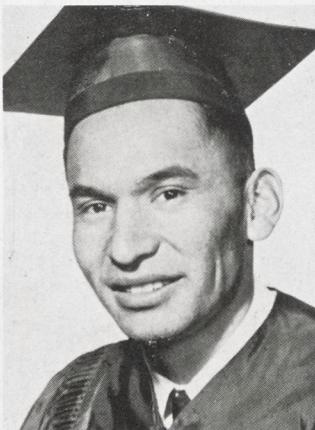

PETER SCHROEDER  
Theological graduand

Our C.T.I. faculty members are firm believers in the old proverb that "knowledge is better than riches". They are teaching us as students, not only to know about God but to become intimately acquainted with Him as a dear Friend. Our education here provides for the body as well as for the mind and the spirit, for the professors apparently also believe that "where hard work kills ten, idleness kills a hundred".

C.T.I. is filling a great need in the churches of our denomination. While I was active in our local Edmonton churches I was privileged to attend classes at C.T.I. which helped me in Young Peoples and Sunday School work. These classes were offered on week nights. In time I was led of the Lord to prepare myself for full time service. Once again C.T.I. provided a curriculum through which, I, as an adult, was able to make up my High School deficiencies and then go on to the University of Alberta for the necessary Arts background. My freshman year in Theology was taken at St. Stephen's College but our Theological Department at C.T.I. is now prepared to offer a full program of studies, from which with God's help, I hope to graduate this spring.

I thank God for the opportunity which has been mine to study at the Christian Training Institute.

Respectfully,  
Peter Schroeder.

## Glimpses of School Life

### WORSHIP AND PRAYER

"Worship the Lord in the beauty of Holiness." — Psalm 29: 2. Daily we come together for what is known to us as our chapel service. Saturday evenings we spend an hour in prayer and worship. Our souls are blessed as each one, at the close of the day, seeks God in his individual prayer group. "The effectual fervent prayer of a righteous man availeth much." — James 5: 16b.

### C.T.I. AT STUDY

"Get wisdom, get understanding, forget it not; neither decline from the words of my mouth." — Proverbs 4: 5.

"And besides this giving all diligence, add to your faith virtue, and to virtue knowledge."

### STUDENTS AT PLAY

In our time for play many find refuge in the lounge. Some engage in such strenuous games as ping-pong and shuffleboard. Other individuals' interests turn towards hockey.

### C.T.I. AT WORK

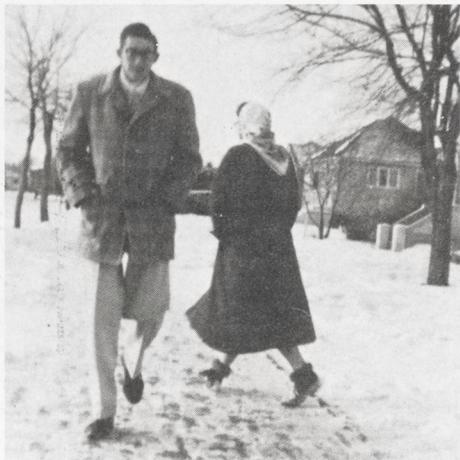

"Be thou faithful in little things." Our school would not function as well without the help of willing hands. We have learned to do our task quickly, cheerfully and without complaint!!

### THE GOSPEL TEAM

Acts 1: 8b — "And ye shall be witnesses unto me." Holiday time was witnessing time for our Gospel team in some of the Saskatchewan and Alberta churches.

# **GENERAL INFORMATION**

## **Objectives**

The Christian Training Institute of the North American Baptist General Conference offers high school, Bible school, and Bible College training. Besides offering excellent educational opportunities, the school gives its students spiritual guidance, missionary vision, and numerous opportunities for Christian service.

## **The Bible College Course**

The Christian Training Institute provides ministerial training for men who can serve our churches in a bilingual capacity. This course is on the B. Th.—Bible College level. The course includes nine months of training each year for three years.

The entrance requirements for regular Bible College students is Junior College training. In Alberta this means completion of high school and one year of training at the University of Alberta. However, young men who have been called by the Lord and who are recommended by their churches to train as ministers can enroll in the Bible College program without meeting the above entrance requirement if they are able to do the required level of work. This will be recognized by other seminaries. Students who have not taken university training before coming to the C.T.I. will get a certificate upon completion of the course. Students who complete the course will be recommended as ministers and may be ordained and may become regular pastors of our churches.

## **Entrance Requirements**

In view of the varied program offered at C.T.I. students with different levels of training are accepted. Meager academic preparations are no barrier to entrance. The Institute's program of study is designed to help young people make up their educational deficiencies.

Moreover, the C.T.I.'s enrollment is not limited to Baptists. The Institute's staff, however, insists that its students are diligent, sincere, and willing to co-operate with other members of the C.T.I. family.

Prospective students may contact the Christian Training Institute, 10810 — 78th Avenue, Edmonton, Alberta, for application blanks. Upon their acceptance by the school, they will prepare to bring with them from home their regular clothing, toilet necessities and personal effects, a pillow, pillow cases, bed sheets, blankets or quilts and towels.

## **School Fees**

Student expenses at C.T.I. have been moderate to enable a maximum of young people to take advantage of the educational opportunities at the Institute.

The following fees will be charged for the school year 1960 -61:

All fees are payable a month in advance unless other satisfactory arrangements are made with the administration.

## **Donations**

From time to time, friends and patrons of C.T.I. have made donations in the form of fruit, vegetables, meats, baked goods and other things. This has helped to keep food expenditures lower. Consequently the charges for board also have been more reasonable than would have been possible otherwise. Needless to emphasize, any donations on the part of individuals and churches have been sincerely appreciated.

## **Scholarships**

The ETHEL RUFF TROPHY, established by Miss Ethel Ruff, is awarded to an individual or to a group of students for the best work in subjects on Christian Education.

The MARTHA LIEBIG SCHOLARSHIPS were established by Dettmer Liebig Wahl in memory of his mother, Martha Liebig Wahl, one-time missionary to the Cameroons. Two of these scholarships, consisting of \$10.00 each, in the Theological and Bible School Departments, are given for excellent scholastic essay work, and \$15.00 for the all-around student who is chosen on the basis of exceptional extra-curricular activities.

The ALBERT GUREL TROPHY, established by Albert Gurel, is a speech award. It is given to one male and one female student who distinguish themselves in the art of public speaking.
